#### DEATH OF JOHN MULLINIX

#### HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 7, 2016*

Mr. COLLINS of Georgia. Mr. Speaker, I rise today with great sorrow as Georgia's Ninth District mourns the loss of one of its great leaders.

John Mullinix epitomized the North Georgia values of my district. His passing on May 22nd robbed us of a man who truly valued patriotism and the well-being of our great nation.

John loved the Constitution as much as he loved the beautiful mountains of Fannin County that he called home. It was in those mountains that John showed what service to your community truly means.

John never hesitated to give his time when his community was in need. He served as a volunteer firefighter, a guest columnist for his local newspaper, and Chairman of the Fannin County Tea Party Patriots.

In our time of divisive partisanship and vicious personal attacks, John provided a refreshing return to positive politics. His motto was that you could disagree without being disagreeable.

John held to his political beliefs with the same sincerity with which he lived his life. His ideal time to discuss politics was over some good Georgia barbeque.

I join the people of Fannin County and the Ninth District of Georgia in offering our thoughts and prayers to his wife, Janet, mother, Elizabeth, and siblings; Patricia, Stephen, Michael, and Mark. We have lost a man that will never be replaced.

#### INTRODUCTION OF THE "QUADRENNIAL HOMELAND SECURITY REVIEW TECHNICAL CORRECTION ACT OF 2016"

#### HON. BONNIE WATSON COLEMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 7, 2016*

Mrs. WATSON COLEMAN. Mr. Speaker, I am proud to introduce legislation today titled the "Quadrennial Homeland Security Review Technical Correction Act of 2016."

In 2007, the Committee on Homeland Security passed Public Law 110-53, the Implementing Recommendations of the 9/11 Commission Act. Under this Act, the Department of Homeland Security is required to produce every four years a unified, strategic framework for homeland security missions and goals, known as the Quadrennial Homeland Security Review (QHSR). The goal of the QHSR is to provide a comprehensive assessment and analysis of the threats facing the homeland. Thus far, the Department has produced two reviews, in 2010 and 2014. The Government

Accountability Office assessed each review extensively and determined that stakeholder engagement and documentation were among the areas for improvement in future QHSRs.

The Quadrennial Homeland Security Review Technical Correction Act of 2016 addresses GAO findings and offers critical improvements to the QHSR. Among the key provisions are more specificity on outreach to stakeholders and requirements for supporting documentation on stakeholder engagement and risk assessments.

Specifically, my legislation enhances stakeholder engagement, by further specifying appropriate stakeholders to consult with during the preparation of the QHSR including the Homeland Security Advisory Council, the Homeland Security Science and Technology Advisory Committee, and the Aviation Security Advisory Committee.

Additionally, my bill requires the Department to use a risk assessment when determining the homeland security missions and threats. When interacting with outside agencies to gather information on sources and strategies, the Department must do so to the extent practical for the Department to gather the information needed.

Finally, the Quadrennial Homeland Security Review Technical Correction Act of 2016 requires DHS to retain all written communications through technology, online communication, in-person discussions and the inter-agency process and all information on how the communications and feedback informed the development of the review. The Secretary should also retain information regarding the risk assessment including data used to generate the risk results, sources of information to generate the risk assessment, and information on assumptions, weighing factors, and subjective judgments used to generate the risk assessment.

I urge support of this legislation to ensure that future Quadrennial Homeland Security Reviews provide homeland security decision-makers inside DHS and across the country with the analysis they need to help protect the United States.

#### EXPRESSING GRATITUDE TO THE INDIVIDUALS WHO ORGANIZE AND RUN KANSAS HONOR FLIGHT

#### HON. MIKE POMPEO

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 7, 2016*

Mr. POMPEO. Mr. Speaker, in May of 2012 the Kansas Honor Flight took its first group of the Greatest Generation to Washington, D.C. Now, four years later, almost 950 World War II and Korean War Veterans have been able to visit the nation's capital to see their memorials and honor friends who made the ultimate sacrifice. This month, on May 4th, the 35th Kansas Honor Flight touched down in Washington, D.C.

These flights would not happen without amazing volunteers. The work Mike and Connie VanCampen have done to honor these veterans is an exceptional example of the admiration Kansans, and all Americans, have for the men and women who serve. The VanCampens are not alone in this effort. A
